Playmate Lingerie

1963

In 1963 the U.S. and U.S.S.R. tried to cool down the Cold War by establishing the Hot Line between Washington and Moscow; *Tom Jones* won the Academy Award for best film; the Celtics won their ninth consecutive NBA title; and Donna Michelle (below), future PMOY, became one of the first centerfolds to emerge as a bona fide Playmate celebrity.

SUNG HI LEE At just 5'4", twenty-six-year-old cover girl Sung Hi would change only one thing about herself. "I'd like to grow legs—long, long legs!" *Mizuno, 1, 3, 4, 5.*

MELISSA BREWER An admitted chocoholic, this 34-23-33-figured Alabaman mitigates overindulgence by playing sports and scheduling regular workouts. *David Rams, 6, 7, 8-9.*

MELINDA GUNTER Melinda's favorite piece of personal lingerie is a pink lace bodysuit with high-cut sides. "I wear it to please myself. But it knocks my boyfriend out!" Denim is more practical for barrel racing, her favorite sport. *Louise Freeman, 10, 11.*

CARRIE WESTCOTT Our September '93 Playmate wants it all, "a career, family and happiness." As she explains, "The goat climbs to the top of the mountain." *Kelly Scott, 12, 13.*

MORENA CORWIN Morena says her favorite reading material is the September '92 PLAYBOY—which by happy coincidence features her on the centerfold. *Mizuno, 14, 15.*

DEBORAH CORRIGAN Brit model Deborah Corrigan pops up for her fifth Newsstand Special appearance with help from the creative lens of our London-based contributing photographer. *Byron Newman, 16, 17.*

KELLIE PRIESTLEY This 21-year-old Englishwoman would like to make her mark in film or on the stage but admits she'd settle for being "just plain famous." She enjoys eating out, reading, shopping and men who are "tall, dark and rich." *Byron Newman, 18-19.*

SAMANTHA LAURENT What to bring along on a picnic with Sam? We happen to know she favors caviar, salmon, chocolate soufflé and champagne. *Byron Newman, 20, 21.*

CHRISTY CARRERA Outgoing and independent, Christy insists she wouldn't want to change places with anyone. Well, maybe just one someone: "Claudia Schiffer. Because she's tall, rich and gorgeous." *Mizuno, 22, 23.*

STACY SANCHES This is our reigning Playmate of the Year's third NSS appearance (after *Sexy Swimsuits* and *Playmate Review*). The 5'10", 34-24-36 beauty turns 23 this September. *Mizuno, 24, 25.*

CHERYL AXLEY Despite satisfying frequent cravings for bean burritos and ice cream, 5'7", 107-pound Cheryl thinks she's too skinny. "I'd love to be a nice size seven—in all the right places." Funny, the places look all right to us. *Jim Hancock, 26, 27.*

ANGELA CHILSTROM Angela is an Atlanta-based student and model who spends her free time bicycling and Rollerblading. *David Rams, 28, 29, 30-31.*

JOANNA ROBINSON Nineteen-year-old Joanna makes her first NSS appearance in this *Book of Lingerie*. *Byron Newman, 32, 33, 82, 83, 84.*

AMELIA DEL BARGO After very positive reader response from her debut in the March/April BOL, Amelia is back for an encore. *Byron Newman, 34-35.*

CINDY BROWN Cindy credits her Cherokee heritage with her passion for environmental issues. Miss May '95, who admires blunt honesty in others, offers some of her own. "I would love to work for the EPA someday," she says. "I'd like to straighten it out because it's as crooked as it gets." *Army Freytag, 36, 37.*

TAMARA FORD This first-time NSS model from Atlanta, Georgia is 5'6", 120 pounds. *Marti Griffin, 38-39.*

ELINA GIANI Self-described troublemaker Elina Giani considers her greatest personal accomplishment "getting through my teenage years without giving my mom a heart attack! I always did what I was told not to do." *Kelly Scott, 40, 41.*

KIM SHELTON Kim recalled her most embarrassing moment for us. "I was shooting in Miami, buck naked on top of a building near the beach. There were at least 50 spectators gawking at me! It was pretty unnerving." *Jim Hancock, 42, 43.*

LISA PITTIUS Exhibiting no inhibitions whatsoever, Lisa decided to pose for PLAYBOY because "I'm proud of my body. I want to share my sex appeal." *Gen Nishino, 44-45.*

PATRICIA FORD Though in constant professional demand, the 1996 BOL Readers' Choice winner prefers the laid-back lifestyle of Hawaii to the mad pace of L.A. A perfect day for her is "watching the sunrise with a nice cup of coffee." *Tom Ruddock, 46, 47, 48-49.*

CAROLINA MACHUGA Sexy eyes, curly hair and strong hands will get her attention, but being a great kisser will keep her transfixed. *David Rams, 50, 51.*

DAPHNEÉ DUPLAIX A bit of weightlifting keeps her 5'8", 34-24-34 figure toned, while dancing and basketball keep her weight steady at 120 pounds. *Byron Newman, 52, 53.*

CHERIE MILLS A shy confidence is a turn-on; overconfidence and un-cared for hands and feet are turnoffs for this 25-year-old Alabaman. *Jim Hancock, 54-55.*

STEPHANIE ADAMS Miss November '92 listed Sega Genesis and shopping as her favorite sports, adding the obvious: "I'm not too athletic." *Gen Nishino, 62, 63.*

ALLEY BAGGETT Alley likes a guy who's smart, cool, laid-back, dresses nice, smells good, has a hairy chest and strong eyes. If you qualify and like a "petite, strong-minded, sensitive, loving, affectionate" woman, you might just be a match. *Jim Hancock, 64, 65.*

HEIDI MARK As a kid Heidi loved Barbies, dresses, shiny shoes and bows. "I was all girl," she says. Now a 5'7", 34-24-33, 107-pound 25-year-old, few would argue that the little girl has become all woman. *Stephen Wayda, 66, 67, 68-69.*

ELISA BRIDGES Water—on it, in it or by it—is what turns this December '94 Playmate on. She hopes to cast off in her own boat someday. *Byron Newman, 70, 71.*

RHONDA ADAMS Green eyes, men who show their soft sides and good food turn Rhonda on; greasy food, pumping gas and penny-pinchers do not. *Mizuno, 72, 73.*

LISA MARIE SCOTT Miss February '95 comes by her love of the sea honestly: Her dad is a Navy captain. He met Lisa Marie's mom while stationed in Japan and the family has since lived in port cities all over the world. *Sean Bolger, 74, 75.*

CHARLOTTE DONOVAN A straight-A graduate student in education at UNLV, Charlotte also earns high marks for her passionate stand against pollution, smoking, drugs and cruelty to animals. She hopes to be a college professor. *Mizuno, 76-77.*

SHAE MARKS An avid jet skier and avowed workout fanatic, our 24-year-old May '94 Playmate measures in at 5'4", 105 pounds, 35-23-34. She would like to become a journalist, travel the world and write human interest stories. *Kelly Scott, 78, 79.*

KIM EGLER We imagine Kim's heard about every come-on in the book, but she says the worst pickup line of all was, "God must have been in a good mood when He created you." *Kelly Scott, 80, 81.*

DEBORAH RYE Deborah offered this no-nonsense self-description: "Hyper, outgoing, compassionate, attentive—with the drive to conquer the world and goals beyond imagination. And a personality to melt your heart." *Gen Nishino, 86, 87.*

SHANNON LEAHY Admittedly stubborn and intense, Shannon wastes no time with shallow, materialistic types. She wants her man to be honest, sincere and considerate. "An intellectual jock. Is that asking too much?" *Gen Nishino, 88, 89, 90-91.*
